

Marta Sørensen

Registered Nurse — Intensive Care

marta.sorensen@example.org · +45 22 14 88 03 · Copenhagen, Denmark

Registered nurse with 12 years in intensive and post-operative care. Shift lead for a 24-bed unit, responsible for handover quality and the induction of new graduates.

EXPERIENCE

Shift Lead Nurse, Intensive Care — Rigshospitalet

Mar 2019 – Present · Copenhagen

- Led nursing handover for a 24-bed unit across rotating three-shift cover.
- Rewrote the ward's handover checklist after auditing recurring information gaps.
- Precepted 14 newly graduated nurses through their first six months.
- Sat on the unit's medication-safety group for four years.

Nurse, Post-Operative Recovery — Herlev Hospital

Jan 2016 – Feb 2019 · Herlev

- Recovered post-surgical patients across orthopaedic and abdominal lists.
- Introduced a structured pain-assessment round at the start of each shift.
- Covered triage during the department's winter escalation periods.
- Acted as link nurse between recovery and the orthopaedic ward on discharge planning.
- Kept the unit's emergency trolley checks and restocking schedule.

Nurse, General Surgical Ward — Herlev Hospital

Aug 2014 – Dec 2015 · Herlev

- Cared for a 6-patient bay on a 28-bed general surgical ward.
- Completed the hospital's newly qualified nurse programme.
- Volunteered for the ward's wound-care working group in the first year.

Nursing Assistant — Plejecenter Sølund

Sep 2011 – Jun 2014 · Copenhagen

- Worked evenings and weekends throughout the nursing degree.
- Supported residents with dementia through personal care and mealtimes.
